| <b>E-Commerce Platform (Barbershop)</b><br><i>C# + ASP.NET + MSSQL + Bootstrap</i> <ul style="list-style-type: none"><li>Created full-featured barbershop e-commerce with product management and online sales</li><li>Implemented secure admin panel with CRUD operations, user authentication, and session-based authorization</li></ul>                                                                                                                                                               | 2024        |

## SKILLS

- Programming Languages: C++, C#, Dart, Python
- Frameworks: ASP.NET MVC, Flutter, Flask, Bootstrap
- Databases: Firebase, MSSQL, MongoDB
- Tools: Docker, Git, Blynk IoT API, Gemini API, REST APIs
- Core: OOP, DSA, IoT, Cloud Computing, Networking (TCP/IP, OSI Model)

## ACHIEVEMENTS

- Class Representative for all 8 semesters

- Prime Minister Laptop Scheme Recipient
- Board Scholarship Recipient
- Secured 2nd position in ICS Board Exams

## **LANGUAGES**

---

- English (Professional Proficiency)
- Urdu (Native)
